 Kew Gardens, Queens, NYC

ABOUT ME

My name is Priyanshi Malik, and I am a motivated and responsible high school student looking to gain work experience. I am enrolled in a Web & App Design and Development course and I am HTML and CSS certified. I am involved in multiple school clubs and enjoy working with others while building leadership and problem-solving skills. I am interested in pursuing a future career in the medical field, with the goal of becoming an Pediatric Ophthalmologist/Pediatrician

EXPERIENCE

December 24
2024

COMPUTER SCIENCE HACKATHON 2024

HTML, CSS, PYTHON, JAVASCRIPT - WORK BASED LEARNING

Worked collaboratively in groups to complete a game design challenge, gaining valuable leadership, teamwork, and computer science skills.

July-August
2025

SYEP - SUMMER YOUTH EMPLOYMENT PROGRAM

COMMUNITY COUNSELING AND MEDIATION

I was part of the Summer Youth Employment Program 2025, which helps students gain real work experience during the summer. During my time we were taught about work environment, college essays, decision making health, ETC

2024-2025

GIRLS WHO CODE CLUB MEMBER - VICE PRESIDENT

THOMAS EDISON CODE CLUB

I was the Vice President of my high school's Girls Who Code club. I help taught HTML, CSS, and other computer languages in a simple and fun way. I also introduced game design to make coding even more exciting!

2025-2027

NATIONAL TECHINCAL HONOR SOCIETY

ORGANIZATION, COLLEGE READINESS, PROFESSIONALISM

The National Technical Honor Society (NTHS) recognizes high school students who excel in career and technical education programs. It honors students for their achievement, leadership, and skills while offering opportunities for scholarships and professional growth.

November
2025

THOMAS EDISON OPEN HOUSE

COMMUNITY SERIVCE, PUBLIC SPEAKING, TEAMWORK

The school open house allowed visitors to explore different academic programs through student-run booths and project displays. At the Web and App Development booth, students explained the course and showcased examples of projects to demonstrate the skills learned.

November
2025-2026

HOSA - FUTURE HEALTH PROFESSIONAL

ORGANIZATION - MEDICAL BASED

prepares students interested in healthcare careers. As a member, I participate in fundraising, volunteer at community events, and learn about different health and medical fields. HOSA also offers leadership conferences where I compete in events, develop professional skills, and network with successful healthcare professionals.

February-
March 2026

IT/MEDIA INTERN - JX FLAME - ISP INTERNSHIP

INDUSTRY SCHOLAR PROGRAM INTERNSHIP

I am an IT Media Intern at JX Flame Solution, where I help maintain and improve websites by fixing bugs and updating content. I also assist in project management, making sure tasks are organized and completed on time. Through this role, I am developing strong technical, problem-solving, and teamwork skills.
